**Any further Annexes**

---

**Impact - The Business Case**

**What will be the main results of the project?**

**Describe the steps and timeline towards commercialisation and beyond for all partners.**

**Target Market**

----- Select One -----

**Identify the potential barriers to market entry and describe how each will be overcome**

## Competition in the industry:

---

How is your product, concept, deliverables or service different? Why is it innovative?

---

How will it be positioned with respect to the competition?

---

## EXCELLENCE - Innovation and R&D

---

What is the method/approach/research hypotheses you will use? Why did you choose this?

---

What is the state-of-the-art within this technical and scientific field?

---

What kind of development is envisioned? Breakthrough or incremental?

---

What other methods/solutions are available (both technical and non-technical)? Why is yours better?

---

## Quality and efficiency of the implementation

---

When is your project expected to start?

---

How many months will the project take to complete?

---

### Work Packages

Work package Name	Person Month	Personnel costs (€)	Overheads (€)	Travel (€)	Materials (€)	Other (€)	Subcontracting (€)	Total (€)
-------------------	--------------	---------------------	---------------	------------	---------------	-----------	--------------------	-----------

Attach a Gantt Diagram of the Work Packages with clearly identified leaders for each WP

---

**Do you have previous experience in international R&D&I cooperation?**

Select One

**Why and how will this project benefit each partner through the collaboration? Is this the first cooperation between members of this consortium?**

**What is the added value of the international cooperation?**

**How will the project results be distributed across the consortium? Who will own them? Who will be able to exploit them?**

**What will happen in the event of a partner leaving the consortium? How will access to the knowledge and results as well as their ownership be affected?**

## Co Signature

**Title**

**Company Position**

## EUREKA NETWORK – GLOBALSTARS – Standard application form

This form must be signed by the authorised representative of the legal entity.

Declaration:

I, ????? in my capacity as am permitted to act as a legal representative of the organization ???????

By submitting the application as the authorised representative to commit the mentioned legal entity, I certify that:  
- all necessary internal authorizations have been obtained in order to permit the legal entity I represent to submit this application.

- all the information given in relation with this application are complete, accurate and correct.

- the legal entity I represent is committed to participate in and cooperate within the project, as described in this application, in accordance with the provisions set out in the agreement to be signed with the Funding Body.

- the legal entity I represent has stable and sufficient funding to maintain activity throughout its participation to the project as described in this application.

- the legal entity I represent has or will have the necessary resources to carry out its involvement in the project as described in this application.

- the legal entity I represent will provide the information necessary to perform the monitoring of the project as well as the change request that could arise in any moment.

- the legal entity I represent has not been granted until now any financial support for the activities described in the application form, from any other national or international public funding mechanism. The legal entity I represent shall inform the EUREKA Secretariat (ESE) and/or the Funding Body or any current and future application for public financial support from any public funding schemes as regards the same activities or a part thereof. Should such application(s) result in any grant of funding, the legal entity I represent shall inform the ESE and/or the Funding Body and all authorities/agencies with which such applications were filed, and shall cooperate in such adaptations of the granted funds as necessary for the compliance with all applicable rules, including avoidance of any double public direct or indirect funding of these activities or a part thereof.

- the legal entity I represent is free of convictions for fraudulent behavior, any other financial irregularities or illegal business practices.

- the legal entity I represent is neither bankrupt nor in the process of being declared bankrupt, and cannot be considered as undertaking in difficulties according to the definition of the EC.
