03 Filling in the application form

Main partner's tasks

The application form has four sections: OVERVIEW, IMPACT, EXCELLENCE and QUALITY AND EFFICIENCY OF THE IMPLEMENTATION.

The screenshot shows the 'Application form' interface. At the top, a progress bar indicates 'Total Complete 66%'. Below this, four tabs are visible: 'OVERVIEW' (60%), 'IMPACT - THE BUSINESS CASE' (70%), 'EXCELLENCE - INNOVATION AND R&D' (50%), and 'QUALITY AND EFFICIENCY OF THE IMPLEMENTATION'. The 'IMPACT' tab is selected. The main heading for this section is 'Information about the main output of the project and how it (and other results) will be commercialized, taking competitors into consideration.' Below this, a question is posed: '* What are the goals and main results of the project?'. A text box contains the prompt: 'Describe the concrete results expected at the end of your project (new products, services, prototype, process, IPR, etc.). What would be the outcome of achieving the results, beyond products, concepts or services?'. To the left of the text box, a counter shows '250 words left'. Below the text box, another question is visible: '* What are you going to sell? To whom'. A green arrow points from the text 'More instructions on how to best answer the questions can be found below or next to each question.' to a question mark icon in a circle on the right side of the form. Another green arrow points from the same text to the question mark icon. A third green arrow points from the text 'All fields in the application form are mandatory and some have a word limit.' to the '250 words left' counter. A fourth green arrow points from the text 'We recommend that you fill in as much information in your application form as you can before inviting your other consortium partners. This way, they can view the latest version of the application form and see information they need to complete their partner form, for example the work packages.' to the text box area.

More instructions on how to best answer the questions can be found below or next to each question.

All fields in the application form are mandatory and some have a word limit.

We recommend that you fill in as much information in your application form as you can before inviting your other consortium partners. This way, they can view the latest version of the application form and see information they need to complete their partner form, for example the work packages.

if required by national funding bodies
Check countries requirements in specific call text. The main partner must upload relevant annexes on behalf of the partners.

Main partner's tasks

1. Click on “Invitations” on the left-hand side menu
2. Click on “+” to add all your consortium partner organisations
3. Fill in your project partners' details and assign them the role of “partner”.
4. Click on “invite”. Your partners will receive an email invitation that will let them view the application form and complete their partner form.

The screenshot shows the 'Invitations' section of a web application. On the left is a sidebar with 'Main', 'Notes', and 'Invitations' (selected). The main area has a header with a home icon, 'Main', and the identifier '2021-17450/NP/BILAT_SG_TR_1'. Below the header is a warning message: 'If you remove an invitation that has already been accepted, please inform projects@eurekanetwork.org in order to remove the automatically created partner form. Please mention application number and name of the removed partner. Before inviting other partners to the project, please make sure you have filled in at least the Project Acronym (OVERVIEW), Project Title (OVERVIEW) and WP table (OVERVIEW)'. A table lists existing invitations with columns: Prefix, First Name, Last Name, Email, Role, and Status. One entry is shown: Mr Frederic Bako, shouks@hotmail.com, Partner, Accepted. Below the table are input fields for adding a new invitation, including a dropdown for Prefix (showing 'Mr'), and buttons for '+', '+>', 'Save', and 'Invite'. Each row in the table has a green 'x' button for removal.
