

Paolo Frankl  
Head of the Renewable Energy Division  
International Energy Agency (IEA)

Paolo Frankl is Head of the Renewable Energy Division at the International Energy Agency (IEA). Dr. Frankl leads the IEA's work on renewables, providing analysis and advice on policies, markets and technologies to 31 Member countries and 17 Association and Accession countries.

A physicist by training, Dr. Frankl holds a Ph.D in energy and environmental technologies from the University of Rome 1 "La Sapienza" and has been post-doc Marie Curie research fellow at INSEAD business school in Fontainebleau, France. Dr. Frankl has 30 years of experience working on renewable energy systems and markets, life cycle assessment and eco-labeling.
